Alister Pymm joined our committee. Dave suggested following the recent return of the residents questionnaires that a spread sheet should be sent to four people thus lessening the load. Kim Anderson Diana Colleran Dave Burke and Alister Pymm were elected to copy the results of the questionnaires into these spread sheets and from that a master sheet was to be drawn up from which the results are to be correlated into percentages via graphs and circles. Kim Anderson said that she would be able to achieve this herself. It was decided that because of low attendance for the meeting and lack of apologies that we need to find out

who is still on board Kim Anderson is to email all the original committee members regarding this for conformation.
