Luke Brown (planning officer west lindsey council)

It was decided to apply for funding to form the group luke advised this would be available in April 2017 however there would be subsidies

available before then should we need them so it was decided that we should plan a drop in event at the village hall from 4/8pm

on the 31st March with light refreshments being served. Mark Schofield has confirmed the booking with Mrs Thomas.

Luke was to organise the printing of the leaflets that are to be distributed inviting residents to come along to discuss any

ideas concerns that they may have regarding the future of the village. Also there is to be a questionnaire sent out to residents

this however is not being done until after the drop in. The response from these questionnaires is typically around 30%.

The next meeting is to be held on Monday the 13th of March at 7pm in the Three Horseshoes.
