It was decided to invite residents to put forward their ideas as to how they would like to see the village develop in the future by inviting them to a drop in centre a notification of which would be placed in the parish magazine. It was decided that there wouldn't be sufficient time to do this before the February issue went to press, so it was to be discussed further at the next meeting at which Mr Luke Brown from West Lindsey would be present this meeting was arranged for the 21st of February however we have since been informed that Mr Brown would be unable to attend on that date so the meeting was rearranged for 27th of February.
