4     DECLARATION OF INTEREST - NONE

5     SITE ALLOCATION - SCOTTER

The meeting was called to discuss the proposed sites allocated under the LDS in Scotter. Whilst there are no sites allocated in Scotton the Parish Council had concerns and resolved to return the following comments:

Scotton Parish Council are concerned about CL1454; CL1455 and CL1457 on the Central Lincolnshire Site Allocations Preliminary Consultation, - reference sites allocated in Scotter near Gainsborough.

Scotton PC feel that Scotton will suffer from increased traffic on their very small roads. More residents with children at school in Kirton Lindsey or who need to access the motorway will obviously use the Kirton Road from Scotton. This Council feel that any large scale development would need a massive improvement to the infrastructure of the surrounding area i.e. Highways, and essential services such as school, GP surgeries and police.

Scotton Parish Council are therefore very opposed to any large scale development in the neighbouring village of Scotter.
