Luke Brown(consultant

Councillor Pat Mewis(chairman WLDC)

Dave Burke

Janet Redfern

Apologies

Mark Schofield

Bev Hill

Jean Langford

Adrian Pym

Robert Littlewood

Angela Scott

Kim pointed any amendments that needed making to the draft plan which will be done by Luke along with other relevant comments he had received by email.

Kim stated that following a conversation with Nev Brown WLDC regarding the scoping report it had transpired that scoping reports do not need to go out to public consultation.

Luke pointed out when asked that the AECOM report was done on behalf of the NDP not the parish council.

It has now been decided that (NP02) is to go forward into the draft plan but (NP03) will not be put forward as it is landlocked.

Councillor Mewis pointed out all the final decisions on any planning will be made by WLDC.

Kim felt that all the allocations needed to be integrated into the actual village so as not to fracture the community.

Luke is to make all the necessary amendments to the plan by the end of this week which will include a new cover picture.

The next meeting is to be held on January 31st at the village hall Scotton at 7pm.
