Lincolnshire Youth Commission

COMMUNICATIONS PACK

Briefing note

What is the Youth Commission on Police, Crime and Community Safety?

The Youth Commission enables young people to support, challenge and inform the work of the Police and Crime Commissioner for Lincolnshire, Marc Jones. The project allows young people to get involved and have their say about policing and crime where they live.

Who can join the Lincolnshire Youth Commission?

We are looking for participants aged 14-25 years who are currently residents of the Lincolnshire policing area.

In total, we are seeking to recruit up to 25 young people. We are looking for people who will be good team players, who will be committed to the project and willing to do all of the activities involved. We are also very keen to ensure that the Youth Commission is made up of a diverse group of young people who broadly reflect the make-up of the local population, including those who may have direct experience of the police and justice system.
